PROVISIONAL ORDER RELATING TO BONAR BRIDGE
PIER AND HARBOUR

The attention of persons interested in and desirous of objecting to this Provisional Order is directed to the following Extract from the Board of Trade Regulations:-

“11. Any objection to the Provisional Order which it is intended to urge on Board of Trade must be sent in to that office before the 15th of January. A copy of such objections must also be sent at the same time to the Promoters; and in forwarding the objections to the Board of Trade the objectors or their agents should state that this has been done.

“12. The Board of Trade will entertain and consider objections founded on alleged injury to public interests or alleged violation of admitted principles, e.g. That the proposed work will injure a ‘public harbour,’ or ‘that tolls are to be imposed on ships which will derive no benefit from them;’ and they will not proceed with any Provisional Order to which valid objections of this description are shown to exist. Objections arising out of competition or out of opposition between local interests they will only attempt to settle provided the parties are willing to abide by their decision. When the parties cannot come to terms, the Board will not order a local enquiry or attempt the decision of Parliamentary Committees.

“13. All memorials, objections, and other documents sent to or deposited with the Board of Trade must be on common foolscap paper, and written (or printed) on one side only.

“14. The Bill for confirming Provisional Orders will be brought in as early in the Session as possible. All preliminary questions must, however, be definitely determined before the 1st March”
